## **PRESS RELEASE – DATGANIAD I'R WASG**

Carmarthen Town Council have installed vandal proof hand gel dispensers at Carmarthen Park. They have been put up at every access point and within the Park to help people stay as safe as possible whilst visiting the Park, which was re-opened earlier this week

They are also hands free, meaning that people do not need to touch the equipment to be able to access the sanitising gel.

They have been manufactured for the Town Council by local company AP Bowen Engineering.

Mae Cyngor Tref Caerfyrddin wedi gosod 5 glanweithydd dwylo awtomatig ym Mharc Caerfyrddin i helpu'r cyhoedd i gadw'n saff o'r coronafeirws.

Nid oes angen cyffwrdd â'r glanweithyddion i'w defnyddio, a maent wedi eu lleoli ger pob mynedfa, a hefyd tu fewn y Parc.

Cynhyrchwyd yr offer yn lleol gan beirianwyr AP Bowen.
